Collection Import

Save time building collections—users can now import a list of items to create a new collection in seconds, making merchandising faster and more efficient.

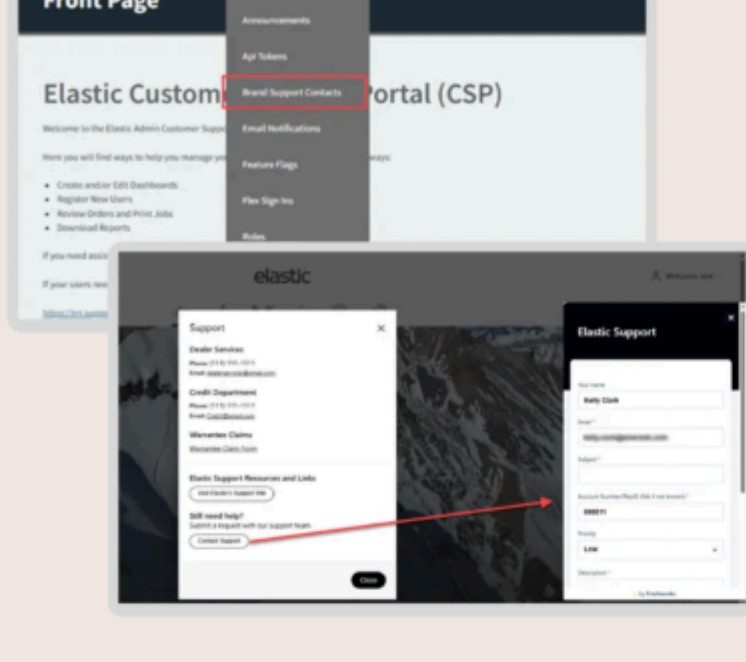

Elastic Support

Submit a ticket directly from the platform—no extra steps needed. The form auto-fills your details, making it quick and easy to connect with our Customer Success team.

UPDATES FOR ADMINS

Brand Support Modal

Streamline support with the Brand Support Modal. Give users direct access to the right contacts—specific emails, phone numbers, and helpful links—so they can get faster answers, right when they need them.

INTRODUCING ELASTIC SHORTS

We've turned our top support FAQs into short, helpful videos you can watch on-demand. Quick & Easy!
